NOVEMBER 2017

New Automated Phone System

The City of Eudora has launched a new automated phone payment system to allow citizens to pay their utility bills using a debit or credit card. This service is available 24 hours a day, 7 days a week. To use this service please call 785-542-2153, Option 2. You will need to have your City utility account number available to use this service.

Don't forget to update your contact information for your utility bill. We will begin utilizing a new phone notification system to provide you with information about your utility account or utility emergencies in a timely manner.

Fill out the form that was enclosed with your utility bill this month. Please send it back to us at your earliest convenience or you can also visit City Hall to update your information.

Yard Waste Disposal

Leaves and grass must be placed in compostable craft paper bags specifically designed for yard waste. However, hedge and tree trimmings may be bundled provided the bundles are not more than 18 inches in diameter, 4 ft. long, and less than 75 lbs. in weight.

Residents that utilize Honey Creek, may dispose up to six yard and leaf bags alongside your trash container on your designated trash day.

Eudora Parks and Recreation Department Dispatch Newsletter

available at city hall, the recreation center and online at www.eudoraparksandrec.org/

Weatherization

It's time to welcome fall's crisp weather and crunching leaves. Time to prepare your home for the colder weather with these weather tips.

1. Replace your furnace filter
2. Caulk and weatherstrip doors and windows that leak air
3. Inspect and seal the attic with a weather strip
4. Insulate or increase the amount of insulation in your attic
