**Inspection and Other Fees**

- Inspections outside of normal business hours (minimum charges - two hours) -\$47.00 per hour
- Inspections for which no fee is specifically indicated (minimum charge - one-half hour) - \$47.00 per hour.\*
- Additional plan review required by changes, additions or revisions to approved plans (minimum charge - one-half hour) - \$47.00 per hour or the total hourly cost to City of Eudora, whichever is the greatest. This cost shall include supervision, overhead, equipment, hourly wages and fringe benefits of the employees involved.
- Any person who commences any work before obtaining the necessary permits and paying the necessary permit fees shall pay an additional fee equal to 100 percent of the permit fee set forth above, which is in addition to all other required permit fees.
- The permit applicant shall pay costs of any third party plan review required by the size or complexity of the building project, as determined by the codes administrator.
- Solar photovoltaic (PV) systems (up to 13.44 kW) and solar thermal systems requiring no structural changes to the building - \$115.00.<sup>1</sup> For every kW, measured in whole increments of 1 kW, over 13.44 kW the flat rate shall increase by \$10 per kW.

**Note:**

*Flat fee covers plan review, inspection and one re-inspection. Submittal shall include structural details of the roof on which the system will be mounted. Structural Engineer's certification may be required. Installation shall be according to manufacturer's recommended method and the 2005 NEC.*
